A Joint initiative of

FAY-PENN ECONOMIC DEVELOPMENT COUNCIL

PennState Fayette, The Eberly Campus

A select cohort of professional peers share this experience to form lasting alliances.

Personal Leadership Development Features:

- C-level executives and other experienced facilitators lead collaborative sessions using real business and community situations, challenges, and opportunities.
- One-to-one mentoring with a selected leader develops professional and personal growth.
- A cohort service project addresses a vital community need while instilling project management and teamwork skills.
- Professional networking opportunities generate new connections.
- A diverse cohort of participants enhances understanding of differing perspectives and creates lifelong friendships.
- CEU credits from Penn State Fayette, The Eberly Campus.
